STARTING THE NEW YEAR with warm feeling for the people who came to their rescue recently. This is the Robert Thoms family whose home burned out the morning of Dec. 20. By nightfall quarters had been offered them which they now occupy near 78th and Woodvale, Lincoln Estates and last week gifts of money, clothing and furniture had made up most of their losses. Left to right, in the back row, are, Pat, 5; Robert 16; Lynn, 14; Jeanette, 11; front row, John, 6; Mr. and Mrs. Thoms; Donald, 2; Jerry, 3 and Timmy, 4. They all want to thank everyone and wish them a good new year. (Graphic Newspapers photo)

Generous Public Gives Fire Victims A Real Christmas

It was a merry Christmas for the Robert Thoms family after all but it didn't look that way the morning of Dec. 20. It was around 2 o'clock on that morning when fire broke out in the farmhouse occupied by Mr. and Mrs. Thoms and their eight children. The flames spread so fast that occupants of the house had no time to dress. In fact they didn't have time to salvage any clothing but had to flee the house clad only in their night clothes. The temperature outside was 15 below zero.

The father did succeed in grabbing up an armful of blankets which he spread on the snow covered ground for the children and his wife to stand on. Some of the youngsters and Mr. Thoms were without shoes.

Only portions of the house walls were left standing by the time firemen from Mokena, Frankfort, New Lenox, Orland Park and Tinley Park had extinguished the blaze. All of the contents were gone -- the furniture, the clothing, everything the Thoms owned with the exception of the night clothing on their backs. Even the Christmas presents that had been purchased were ashes.

Mr. Thoms who is employed in the brickyard at Blue Island had cashed his paycheck Thursday night to buy some oil for the stoves with which the house was heated and the remainder of the money also went up in smoke.

Prospects of a merry Christmas seemed somewhat dim that morning but before noon of that same day things began to brighten.

As news of the family's plight became known offers of assistance began to come in. The Mokena Chamber of Commerce, the Lions club of Mokena, and the Pomar Land Trust established a committee to take charge of collecting the contributions that came in from a wide area.

As of last Friday, a week after the fire, the Chamber of Commerce had collected \$544.47 Harry Yunker, who resided near the house occupied by the Thoms had \$68 that had been brought to him for the family. Thus the cash contributions are in excess of \$600. Besides the money the Thoms now have and ample supply of

clothing, plus furniture and a place to live.

They are now renting a house at 78th and Woodvale, Lincoln Estates.

Polk Brothers gave the family a TV set and Will Tuttle, of the electric firm bearing his name in Mokena, put up the aerial and installed the set without charge. The Salvation Army gave them a large table and some dressers.

Student nurses at Silver Cross hospital came to the home on Christmas eve with a complete Christmas dinner and a delegation from Arbury Hills delivered 48 presents, all gay with Christmas wrappings, which means each of the eight youngsters had six presents. A huge box of toys from a Goldblatt store in Chicago arrived on Christmas day.

Mr. Thoms is a hardworking man and has been with the refractories at Blue Island since he was a youngster. The family likes it in the Mokena area and they hope that they will be able to find another farmhouse in which to live.

"The kids have ample room to play," he explained, "and we can have a garden."

It is difficult for Mr. Thoms to express his feelings relative to the response to his family's plight. He tried some words the other night but choked up. "We can't begin to say what this means to us," Mr. Thoms said. "All we can say is thanks and that seems so little. People are certainly wonderful. These strangers, they do things for us. They don't know us, they haven't even seen us, a lot of them, but they have given us help when we needed it. They are true neighbors and we are grateful. We won't forget."

Maurice Angland, of the Pomar Land Trust, is chairman of the committee formed to aid in getting the Thoms back on their feet. The other members are Fred Lehmann, Walter Welsch and Mrs. Harry Yunker.

Dedicate New Frankfort Ice Rink Jan. 6

Dedication of the new ice rink built by the Frankfort Lions club in Frankfort Community park for the youngsters of that community is to be held Jan. 6, at 7 p.m.

For many years the Lions maintained an ice skating rink on the New York Central property along Kansas street. It was believed, however, that it would be better to build a rink in the park. The ground was scooped out late in the fall and a ridge thrown around the site to hold the water when flooded.

Next spring the Lions plan to build a double-size concrete tennis court there. The courts can also be used for basketball and next winter can be flooded for skating.

The Boy Scouts have volunteered to hold themselves in readiness to clear the rink of snow, if necessary, so it will be clear for the dedication.

Keeping the ice free of snow is one of the problems to be met in operating an outdoor rink, it was pointed out and Lions want to be ready for it. Any other organizations or individuals who will volunteer for snow removal duty have been asked to get in touch with the Lions.

Jan. 6 also will be Twelfth Night and Christmas trees will be picked up on that date and burned in the park.

Mokena Lions To Burn Xmas Trees

Sunday, Jan. 5 will be the annual "Twelfth Night" Christmas tree pickup in Mokena at 1:30 p.m. (weather permitting.)

The Cub Scouts will assist in picking up trees. Jerry Nelson is the chairman.

Residents are asked to leave their trees in front of their homes. This is a good way to get rid of your trees without creating a fire hazard.

After the trees have been picked up a bonfire will be held at the park.

State Moves To Start Work On FAI 80 In 1964

Actual work on interstate highways FAI-80 appears to be certain of achievement in 1964. It has been announced by Gov. Kerner that \$10,296,000 of state highway funds have been earmarked for FAI-80 in Will County.

TRAFFIC LIGHT FOR FRANKFORT

The state highway department plans for 1964 include installation of traffic lights at U.S. 30 and 45, Frankfort. At present the intersection is guarded by a flasher light and a four-way stop.

marked for FAI-80 in Will County.

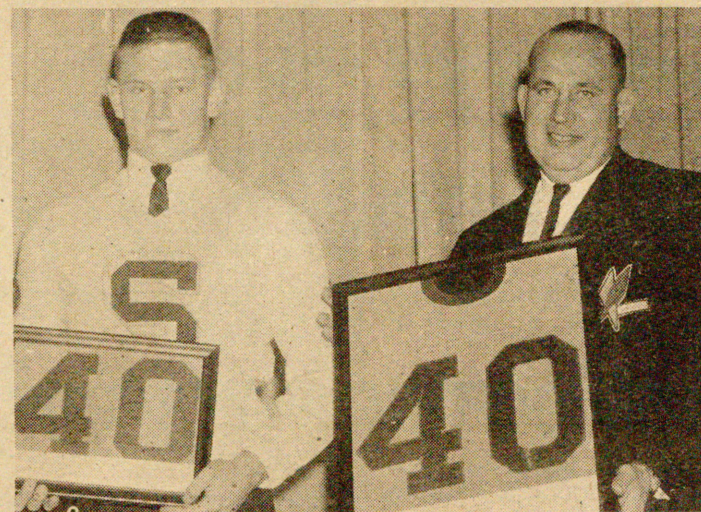

This sum includes \$6,975,000 for construction, including 20 structures such as underpasses overpasses and interchanges to be built between the Will-Cook county line in the vicinity of Tinley Park, and U.S. 66, west of Joliet.

Eight structures and 7.4 miles of paving are also scheduled for 1964 between the Will-Cook line and the Tri-state tollway.

Included in the structures to be built in Will County east of Joliet are those to be located on Cougar, Francis, Cedar, Parker, Maple and Wolf roads; U.S. 45; Wabash railroad at Marley and the Rock Island railroad, in a couple of places.

The interchange at U.S. 45, northeast of Mokena, is to cost approximately \$735,000, according to engineers' estimates.

Total cost of right-of-way is set at \$3,243,000 according to the appropriation. Of this amount \$1,060,000 is earmarked for right-of-way between Joliet and the Cook county line. As far as is known no one from the state has made any offers for right-of-way in the vicinity of Tinley Park, Mokena, Marley or New Lenox and as far as this area is concerned FAI-80 is a paper highway. Industrialists, city and village officials, chambers of commerce, real estate dealers and motorists who make daily or frequent use of U.S. 30 are hopeful that at last work is to be started that will give traffic from the east a junction with U.S. 66. Until FAI-80 is completed to the west coast it is expected that U.S. 66 will carry most of the load.

Retire Sharpe's Number

The old, dirty football jersey bearing Number 40 has been retired.

For the past three years, Eagle fans have thrilled to the exploits of the blue and gold 40--worn by all-state halfback Ernie Sharpe. But no athlete will ever wear that number again at Carl Sandburg, from now on the jersey will hang in its own frame.

At the Sandburg Christmas assembly on Dec. 20, athletic director Joe Devine announced that the number had been retired and the jersey worn by Sharpe would take its place in the trophy case along with the other mementoes left by earlier players.

Sharpe was also presented with a trophy honoring his second successive election to the Illinois all-state eleven and a framed set of the number 40 to hand on his wall.

In making the presentation, Devine said, "This is the traditional way of recognizing outstanding performance by an athlete over an extended period of time. With this honor goes the realization that much hard work, downfield blocking, and team effort by the 1961, 1962,

and 1963 football squads is also being recognized."

Sharpe is one of those rare creatures--an athlete who excels in many things. In addition to his ball carrying abilities, he passes, kicks, and throws a mean block on interference. He has earned a spot on the varsity basketball team and, at the same time, has maintained his position in the top five per cent of his class.

For Sharpe, his varsity career began as a sophomore when he earned a spot on the varsity football squad. He was the leading scorer in the conference that year and was named to the all-conference team at the close of the season. In his junior year, behind the work of his teammates, he repeated the performance and earned a spot on the all-state team.

This past season, Sharpe did it again, closing out a sparkling high school career by leading the conference in scoring, being named all-conference for the third time and all-state for the second.

He will be missed by the Eagles.

Boy Scouts Will Make Paper Pick-Up Saturday

MRS. EDWARD HOVI
479-5740

The Summit Hill Boy Scout Troop Number 10 will have their regular monthly newspaper drive on this Saturday, Jan. 4, 1964.

If you have any newspaper, magazine, or other easily transportable scrap paper to contribute, please have your

donation bundled in some manner and placed either at the garage door or at the front door, not at the curb, so that it will not interfere with the garbage collection which also takes place on Saturday. The donation should be ready before 9:00 a.m.

The Arbury Hills Civic Association will hold their first meeting of the new year next Tuesday evening, Jan. 7, 1964, at 8:00 p.m., at the school. This will be the last regular meeting before the February election meeting.

The Children's Christmas party, sponsored by the Civic Association, was held at the school on the Saturday before Christmas.

There were over one hundred children who joined in the festivities with whole hearted enthusiasm. There were also a few brave adults who helped the committee maintain reasonable order, and for this the committee will be everlastingly

grateful.

The youngsters were shown a movie of the "Night Before Christmas" and "The Nativity" all done with puppets. The movie was shown by the Illinois Bell Telephone Co., who also provided the necessary equipment and a projectionist.

The movie was followed by the serving of cookies and their choice of hot or cold chocolate. The entire stock of cookies was contributed by the cookie-baking mothers of Arbury Hills. So that there will be no chance for missing a thank you to some of the mothers whose names might have been missed, let us just say a general, and grateful thank you to all the mothers who contributed to the party. Without their help with the baking, the party could not have succeeded so well.

There is also a thank you due to the three girls from the Teens Club who pitched in and helped both with the preparation and the serving of the refreshments. A final thank you goes to the committee who worked for several weeks in the necessary preparation and planning to put on a successful party.

A general burst of enthusiasm came from the children upon the arrival of Santa Claus. A patient Santa listened to each of the children while they gave their lists of requests. He presented each one with a small gift and two bags of candy. Santa should see his halo get brighter after the gratitude of

the committee for his help.

The Summit Hill Parent-Teacher Group will hold their January meeting at the school on Thursday evening, Jan. 8, 1964 at 8:00 p.m.

The topic for the meeting will be the Educational Television in our School. The fifth grade mothers will preside as hostesses for this night. They will provide and serve the refreshments.

The Arbury Hills Baby Sitters Cooperative will have their book change hands for the coming month on Jan. 8. At that time Mrs. Robert Burdett will receive the book from Mrs. Richard Boothe who had acted as secretary for the preceding month.

Any member who needs a baby sitter should contact Mrs. Robert Burdett at 479-5797 at least 24 hours in advance of the date needed.

In addition any Arbury Hills mother who would be interested in joining this group should also contact Mrs. Burdett after Jan. 8 for further particulars. Rosalie and Richard Mansell of 9507 West Elm Avenue became the parents of their third son on Dec. 10 at the Hinsdale Sanatorium. The latest addition to the Mansell Family weighed in at seven pounds eleven ounces at birth.

Young Master Kenneth Scott Mansell, as he was named, has two older brothers, Richard who is just past three and Bobby who is just past two.

Arbury Hills joined in the response to the call for help for the burned out Thoms Family. The families opened not only their hearts, but also some of them opened their homes as collection depots.

Sheriff Solves Burglary And Car Theft In Area

With the apprehension of four boys, residents of the Frankfort area, Sheriff Joseph Trizna reported solution of a burglary and a car theft in the area.

Two of the boys, Alfred G. Hendrickson, 17, and Michael Labuda, 16, are scheduled to come up before Justice of the Peace Robert Buchar in Joliet next Monday. They had been arrested originally on warrants issued on complaint of the operators of the Seamon Grocery at Lincoln Estates. When the Seamons withdrew their complaints Thomas Cavanaugh, juvenile officer for the county, acting on instructions by the sheriff, signed complaints and new warrants were issued. The youths were arraigned before Judge Buchar and the case continued 10 days. They are free on bonds of \$1,000 each.

It was said that another continuance might be granted on Monday as the state's attorney's office is quite busy.

The boys were arrested Dec. 20 and at the same time a car that had been stolen from the Cooper-Hostert sales lot in Mokena Nov. 28 was recovered. The youths said the car had been driven to an abandoned garage in Lincoln Estates and kept there most of the time, the sheriff's office reported. The car's fenders had been painted with a primer.

According to the report Labuda's 14-year-old brother, Andrew, Jr., and Daniel J. Gudgeon, 15, Lincoln Estates, were implicated in the theft of the car. They served as lookouts, authorities stated. Gudgeon and Labuda, Jr. were released to their parents, but their case has been referred to County Court Probation Officer Roy Doerfler to be handled in family court.

Ogilvie Asks Staff For South Suburban Courts

(CNS) — Sheriff Richard B. Ogilvie last week requested a staff of 121 bailiffs, clerks and deputies to serve the south suburbs under court consolidation effective Jan. 1, 1964.

Serving District 5, which includes Lemont, Orland, Palos, Worth, Stickney and Lyons Townships, will be three teams, consisting of a magistrate, a prosecutor and a deputy sheriff who will drive from court to court several times each day.

In addition, a magistrate will conduct a full time five day per week civil court.

Ogilvie called for a courtroom bailiff to serve 5 1/2 days per week, two bailiffs to serve full time and a fourth bailiff to serve three evenings a week.

In District 6, which includes Thornton, Bremen Calumet, Bloom and Rich townships, magistrates will conduct full time courts five days per week, except on one day each week when there will be seven full time courts in operation.

Requested are seven bailiffs to work full and part-time for the criminal call, and a bailiff for each judge, making 10 more bailiffs. Each of the 26 associate judges will also have a bailiff.

A further request was made for five female bailiffs one for each district.

Besides bailiffs, Ogilvie requested a total of 35 deputies for serving of writs and subpoenas and to handle filings of documents, and 13 clerks for clerical work.

Twenty deputy sheriffs are included to serve as guards and for transportation of prisoners.

The following is the schedule of the three teams: Team 1 will spend half a day in Bridgeview, and the remaining half in Bedford Park and Willow Springs, one day each week. The next day is divided into Hodgkins, McCook and Countryside. The next into Western Springs, Stickney, Forestview and Justice. Two full days will be spent in Summit and a half-day each Saturday in LaGrange.

Team 2 will spend 3 1/2 days each week holding court in Oak Lawn, a quarter-day in Evergreen Park and a quarter-day in Alsip each week, and one full day each week in Lyons.

The following suburbs receive visits from team 3: Orland Park, one-half day; Lemont, one-half-day; one eighth-day in Merriotte Park, Chicago Ridge, Hickory Hills, Palos Park, and half-day in Homewood.

The circuit court committee on help is expected to act on the request in January. —msp

Assets Of Archer Hoyne S & L Reach \$16,600,000

Total assets of Archer-Hoyne Federal Savings & Loan Association will reach \$16,600,000 by Dec. 31, according to Henry J. Wolske, board chairman.

This figure represents an increase of \$300,000 over Dec. 31, 1962 — a growth of \$25,000 each month during 1963.

Founded in 1911, Archer-Hoyne has never missed a dividend payment to savings members in its 52-year history. During 1963, association members will share \$580,000 in earnings paid out on savings accounts at the June 30 and Dec. 31 dividend periods.

Wolske also announced that savings volume in 6,899 accounts is \$14,400,000 — an increase over the previous year.

"The growth of Archer-Hoyne Federal during 1963," Wolske said, "reflects the sound economy now being enjoyed by residents of the communities we serve. It also indicates confidence in this association on the part of those who use our facilities."

Archer-Hoyne's contribution to the local economy is indicated by the fact that at year's end 1,680 homes are being financed by the association through loans totaling \$14,400,000.

Wolske predicted that home financing will continue at a healthy rate during 1964, and he looks forward to continued growth of Archer-Hoyne assets and services during the coming year.

Officers of Archer-Hoyne Federal include Henry J. Wolske, Orland Park, board chairman; Wilbur Wolske, Midlothian, president; Fred W. Splittgerber, Hinsdale, vice president; Mrs. Lorraine Kloess, Chicago, secretary; and Mrs. Lillian Lindbohm, Chicago, treasurer.

Directors are Howard Grados, Glen Ellyn; Charles Halman, Downers Grove; Robert Kotik, Palos Heights; Edward C. Muth, and Walter J. Pfeiffer, Chicago; Mr. Splittgerber, and Mr. Wolske.

A New Year And A New President

Once the stunning initial shock brought on the world by President Kennedy's assassination had to some extent diminished, the inevitable political speculations and prognostications began. For a new President means new policies or variations in policies, just as it means that new faces will become prominent in the councils of government.

What manner of man is Lyndon Johnson, and what course can he be expected to take as Chief Magistrate?

He is, to begin with, a political strategist of the first order, as he demonstrated time and time again during his tenure as majority leader of the Senate. He knows how to get things done. He is personally popular. Back of this are many years of experience in government, and an intimate knowledge of what can and cannot be accomplished. He knows the truth of the old adage — that government is the art of the possible.

It is to be expected that he will be given widespread bipartisan support. Almost all Presidents enjoy a legislative "honeymoon" at the beginning of their terms. And Mr. Johnson has an additional advantage in his connections and friendships in Congress. This does not mean that Congress will suddenly become a rubber stamp to be handled at will by the Executive. But the general consensus is that he may have better luck with his programs than did his predecessor.

Of very great importance, Mr. Johnson was an active vice president. He was kept in close touch with all governmental affairs. In this, President Kennedy followed a precedent set by President Eisenhower. Mr. Nixon, as vice president, was ready to succeed to the top office, had that become necessary. By way of contrast, when President Truman took over there were vital areas of knowledge which were strange to him. He had not even been told about the successful development of the atomic bomb. He thus had to go thru an extremely difficult period, through no fault of his own. That will not be true of Mr. Johnson.

What of policy? Mr. Johnson is a southerner. He is a westerner too, and these regional attachments undoubtedly color his attitudes. In domestic policy, going by his senate record, he will be somewhat more conservative than Mr. Kennedy — more inclined to make haste slowly. He will seek, so far as that is possible, to minimize and to eliminate controversies and extreme disagreements.

It is most unlikely that there will be any major change in foreign policy. It is significant that one of the new President's first statements was to say it is this nation's continued purpose to help press to a successful conclusion the war against communism in Vietnam.

Finally, on the Republican side, the terrible tragedy that brought about the abrupt change in national leadership has resulted in some confusion. Some think Senator Goldwater's chances for the nomination have been injured, for the reason that there would be less contrast in viewpoint between him and Mr. Johnson than between him and Mr. Kennedy. There is talk of Richard Nixon being nominated again. It is all in the lap of the Gods as yet, but increased struggles by the leading Republican figures for the nomination can be expected.

In the meantime the nation has gained new respect for the office of the President — and a new knowledge of the courage and sacrifice that is demanded of the men who fill it.

LETTERS TO THE EDITOR

ONE MAN'S CHRISTMAS STORY

Dear Sir:

This is my true Christmas story.

So they took the Christ out of Christmas and turned to the money changers the silver and gold that Christ found them handling in the temple.

It was supposed to be Christmas. People were supposed to be rid of their hate and venom against mankind. Yes these people were so-called religious but they were in a "Fog of Hate" with a transistor heart, not a heart of love that we should have for Christmas.

God left them and the Devil stepped in. The Devil said, "There is too much of this goodwill business going on at Christmas. Where do I come in? I want to raise hell and trouble. Where can I find my victims to carry it out."

He found them in a beer tavern. It wasn't far away and the sudden youth reveled in hell and trouble making.

"Where should we start?" they asked the Devil.

The Devil replied:

"On the weak and poor who can't fight back because there are too many against us at Christmas time, the strong and the loving."

So they picked on an old man, crippled and lame. They took all the fuses out of the electric box and he came home to a dark house after being in the hospital. The old man had to fire the furnace so he bought six fuses and replaced them and had light that night. It was near Christmas and the lights were the best present he had received for Christmas that year of 1963.

So he went the next day to a friend for ground corn and oats to feed his chickens and pigeons that he had as a hobby so he wouldn't go nuts waiting for Old Man Death to come and cut him off. He wanted something to do but he could hardly afford the hobby. It was getting the best of him.

His dear friend wished him a Merry Christmas and gave him some grain and said, "take care of yourself old man."

He came home and pressed the button for lights and again there were no lights. So he bought more fuses and had lights that night.

So the hours passed and Christmas day arrived and the old man being alone went to see some friends to have company and to talk to someone.

When he came home he pressed the button for lights but there were no lights. This time the bulbs were gone so he knew that the intruder had come again. It was 10 o'clock. The old man didn't have any Christmas dinner, only a pot of lima beans. He turned on his radio and found the tubes were gone. He turned on the television set and the tubes were gone from that. So he couldn't even pass Christmas night with any enjoyment or listen to the music.

So he held his dog in his lap. The dog licked him on the cheek and suddenly he barked. It was a friend who had brought the old man a Christmas dinner....

But hate still lies in the hearts of the beasts that listened to the word of the Devil on Christmas day. God forgive them, for hate ruins the world. Love overcomes all things, even Russians, devils and intruders. They must learn the rules of life. I hope soon, before the Devil takes them over 100 per cent.

A Mokena Resident

voicing his desire for economy in all the departments of government. He says — "Get a dollar's worth of value for every dollar spent". The defense department has decided to close 33 military installations. This is supposed to save several hundred millions. This phase is coincidentally in keeping with Public Law 87-297 which was passed in September 1961. The designers of this "disarmament plan" propose that it should be accomplished within ten years. Theoretically, we shall then be saving the monies budgeted for the military. However, we shall probably be donating more than this mythical savings, to the United Nations world police force.

Let us pray that President Johnson will become a reformed "liberal". It is too soon for us to be certain of his sincere determination in the area of economy. Will he replace the cabinet members and the host of advisors who have been advocates of our "no-win" foreign policies and deficit spending orgies? Shall we see a return to the America FIRST line of thought?

The answers to some of these questions shall soon be definite. In the meantime, take all the bets you can get from those who believe that any changes are in store for us. Our President would like very much to be nominated and elected in '64'. Therefore, it is not likely that he will break-up the well organized political machine by burning the bridges which allowed him to cross the chasm from the senate to the White House.

George Washington said at Valley Forge — "Put none but Americans on guard tonight."

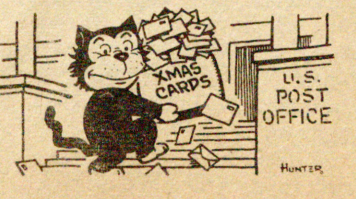

"We shall force the United States to spend itself into destruction", so said Nikolai Lenin.

Patriotically,

HOPES FOR IMPROVEMENT

Dear Sir:

As a senator, Lyndon Baines Johnson did not ingratiate himself with the conservatives. His voting record shows that he was with them only 12% of the time. Five years ago, he fathered the legislation which put us into the "Space Race". He has consistently followed the "Appeasement Line". He is for the huge "Foreign Aid" programs and "Disarmament".

Recently, while he was yet vice-president, he was interviewed and questioned about the "Moon Shots", he stated, — "We can't afford not to spend it". Meaning the 20-40 billions of dollars which this venture will cost, Russia in the meantime seems to be re-evaluating her desire to remain in this contest. Nikita realizes that food production is of greater importance.

Upon becoming chief executive of our great country on Nov. 22, President Johnson has been

Cook County Preamble

LEGAL
COOK COUNTY
DELINQUENT
TAX LISTOFFICE OF COUNTY
TREASURER OF COOK
COUNTY AND EX-
OFFICIO COUNTY
COLLECTOR OF COOK
COUNTY, ILLINOIS.

Advertisement and Notice of Collector of Cook County of Application for Sale of Delinquent Lands and Lots for General Taxes for the year 1962, and Notice of Sale Thereof and application for judgment, fixing the correct amount of any tax paid under protest and for order for sale on such payments, as provided by law.

NOTICE IS hereby given that the said Collector of Cook County will apply to the Circuit Court of Cook County on the 6th day of January, A.D., 1964, for judgment against lands and lots hereinafter described as being delinquent upon which taxes remain due and unpaid, or personal property taxes charged thereon, as noted in this advertisement, remain due and unpaid, for said taxes, interest and costs and for an order to sell said lands and lots for the satisfaction thereof according to law (excepting from said judgment and order of sale the cases which are included in this advertisement for

sale only under former unexecuted judgments and orders for sale as may be noted in this advertisement.) Notice is also given that an application will be made for judgment fixing the correct amount of any tax paid under protest.

Notice is further herein and hereby given that on the second Monday next succeeding the 6th day of Jan., A.D., 1964, to-wit, the 20th day of Jan., A.D., 1964, at the hour of 8 o'clock A.M., all said lands and lots heretofore described for sale of which an order shall be made, or has been made and not executed as noted, will be exposed to public sale at the County Building of Cook County where the Circuit Court is held in said County, for the amount of taxes, interest and costs due thereon respectively.

The following is a list of delinquent lands and lots upon which the taxes remain due and unpaid, the name of the owners, where known, the total amount due thereon (excluding delinquent special assessments separately advertised) and the year or years for which the same is due.

(The total amount due in this application on each tract or parcel of land or lots is the sum of the amounts appearing due in this advertisement.)

EXPLANATORY NOTE: In this list in all places where no other notation is made the figures in the column headed "P" meaning dollars, and the "cts" (meaning cents) represent the taxes due and unpaid for the year A.D., 1961. Where the letter "P" is placed to the left of the figures in this column it is intended for an abbreviation of the word "forfeiture," and denotes that the amounts set down to the right of the same are the amounts due and unpaid on said lands and lots for which said lands and lots have been previously forfeited to the State. When back taxes are extended they are indicated by the letters "B. T."

Payment of taxes made after printer's copies are sent to publishers for listing, and appear as delinquent in this advertisement, will be satisfied in judgment records before sale.

In lieu of legal description used heretofore each parcel of land or lot is designated by a permanent real estate index number.

In the permanent real estate index number system the area is designated by the number appearing in the column headed "A," the sub-area by the number in the column headed "B," the block by the number appearing in the column headed "Blk," and the particular parcel by the number in the column headed "P.C.I."

Comparison of the permanent real estate index number with the legal description of any parcel may be made by referring to the cross indices maintained in various County offices.

Aliens Must Report

District Director John M. Lehmann of the Immigration and Naturalization Service stated that aliens in the United States will be required to report their addresses to the Attorney General within the near future.

All aliens with a few exceptions, who are in the United States on Jan. 1, each year, must report their addresses by the end of that month.

Only the following classes of aliens are excused from this requirement: (1) Accredited diplomats; (2) Persons accredited to certain international organizations; and (3) Those admitted temporarily as agricultural laborers.

Forms with which to make the report can be obtained from any Post Office or Immigration Service Office during January. Lehmann said that the law provides severe penalties for failure to comply with the reporting requirement.

Silver Cross Joins Effort

Silver Cross Hospital, Joliet, has joined a nationwide effort to prevent mental retardation in many cases by instituting a simple blood test for phenylketonuria, an inherited defect in the body's ability to use one of the commonest substances in food protein, phenylalanine. The test was recommended by the pediatrics department, Dr. Merle Otto of Frankfort, chairman, and a resolution that it be adopted passed by the medical staff.

Called the PKU test from the initials of the Greek words combined in phenylketonuria, it consists of taking a drop of blood from the heel of an infant; placing it on absorbent filter paper; cutting out a disk which is numbered; and placing it in a glass dish with a special nutrient and culture of bacteria.
